Support Worker | Tegfan

Description

Job Types: Full-time, Part-time, Permanent

Location: Ammanford

Salary: £10.50 per hour*

We are looking for Support Workers to join our brand new residential service in Ammanford, for people with Learning Disabilities, Autism and behaviours that may challenge. This is a fantastic opportunity to work in an exceptional service, providing outstanding care and support. Tegfan will be opening it's doors in May 2022.

Nothing compares to the feeling that comes from knowing that you have made a difference to someone else's life – especially when that someone is a vulnerable adult. Here at M&D Care we place people at the heart of everything we do. If you want to support people, then we have a job for you. You do not need any qualifications or previous work experience, what's really important is your values and attitude towards working with people who need care and support.

*****Please note even though this service is not opening until May 2022, onboarding is starting now to allow plenty of time for training. Successful applicants will have the opportunity to work in a similar service until the official opening.***

Responsibilities

- You will become part of our incredible team, helping to deliver emotional and practical care and support for vulnerable adults and transforming their lives on a daily basis.
- You will be involved in providing quality care for vulnerable adults within a residential setting, you will ensure the highest quality of care is provided to the people supported through their person-centred care plans.
- You will be working on a rota basis, which may include early starts, late finishes and day and night shifts and weekend working.
- You will offer focused support with a range of tasks, including personal care, preparing meals, administering medicine, shopping etc.
- You will be involved in facilitating activities which are person-centred, which promote their dignity, independence and well-being.
- You will need to be committed to providing an excellent level of care for vulnerable people with mental health and learning disabilities
- You will need to be able to work independently – this could involve taking sole responsibility for a person we support, ensuring their safety and health are fulfilled.
- You will need to work within the regulatory requirements as identified within
